

BOARD OPERATIONAL GOALS

The Board of Education of Arickaree School District R-2 has carefully studied the needs of youth, particularly as they pertain to the children of this community, with a view of preserving the finest aspects of the republic way of life in which we believe. We also strive for the betterment of human society and the realization of the optimum potential of the individual.

The following goals of the Board of Education are necessary and pursuant to the accomplishment and performance of our responsibilities:

1. Development of strong programs of curriculum and instructional improvement.
2. Provide for sound integration of the elementary and secondary schools.
3. Provide efficient administration of the schools
4. Insure a broad curriculum for all children.
5. Attract and retain the most capable teachers.
6. Adopt personnel policies, salaries, schedules that will improve the tenure of professional and non-professional employees.
7. Seek greater specialization of the staff.
8. Provide those specialized services needed and necessary.
9. Provide a plant, facilities, supplies and personnel for the accomplishment of these objectives.
