

## ARICKAREE TO GRADUATE ELEVEN SENIORS!

The Arickaree School has eleven seniors this year who are getting excited about their upcoming graduation. Our School and Community are extremely proud of these eleven individuals and we wish them the best in all of their future pursuits.

Graduation is Saturday, May 25th, at 2:00 p.m.

**A**bbi Miller, is the daughter of Rose

Miller and Dale Brunk. Her future plans are to attend UNC majoring in Elementary Education. Her favorite class is English. She enjoys to read and write. Her biggest accomplishment is Superintendent's Honor Roll and Female Athlete of the Year. Her favorite memory is getting to interact with the little kids and help them out. Advice that Abbi has for the younger students is always do your assignments on time and stay focused. What she will miss about high school is all the friendships and the life experiences that she has been giving at Arickaree School.

**L**acey Niccoli, is daughter of Justin

and Linda Niccoli. Her future plans are to Attend Oklahoma Panhandle University and pursue a career in art. Her favorite class is art, she enjoys drawing and spending time with Mrs. Monat. Her biggest accomplishments is starting her own business and competing at International Science Fair.

Lacey's favorite memory is discovering new art mediums. Her advice for the younger students is normal is boring, be weird. She will miss the teachers and hanging out in the art room.

**S***ophia Niccoli*, is the daughter of

Justin and Linda Niccoli. Her future plan is to Attend Lamar Community College to study Agriculture Communications and later transfer to West Texas A&M University. Her biggest accomplishments is being the owner of Buckle Up Show Camps, NHS member, and 4-H Club President, and receiving a scholarship to play volleyball. .

Sophia's favorite memory is going on senior trip to Florida. Some advice she has for the younger students is high school doesn't last forever, but your actions and what you choose to do will affect you for long after high school. She will miss spending time in the art room with Mrs. Monat.

**C***onnor Buchanan*, is the son of

Shawn Buchanan and Lisa Armstrong. Connor plans to attend the University of Colorado Denver and pursue a major in biology. He plans plan to work as a Veterinarian following a post graduate degree. His biggest accomplishments is joining the University Honors and leadership program, receiving the Hagan scholarship, and making nationals in FBLA. Connor's favorite memory is going on senior trip. Connor's advice for the the younger students is the teachers are there to help, use them. He will miss the opportunities he has been offered.

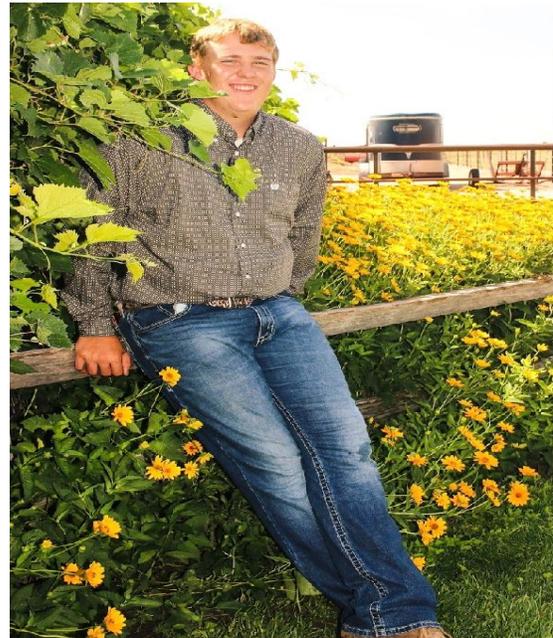

**K***ade Dutton*, is the son of

Kevin and Cathy Dutton. His future plan is to attend Northeastern Junior College majoring in Ag Business and to pursue a career as a farmer and rancher. His biggest accomplishments is Superintendent's Honor Roll, Star Chapter Farmer, Top Business Student, and Iron Indian. Kade's favorite memory is scoring a touchdown in the state quarterfinals football game against Prairie. His advice for the younger students is to take advantage of the opportunities given to you, in school activities and clubs. Work hard and have fun! He will miss seeing all of his friends and the fun they had.

**A***ndy Miller*, is the son of Rose

Miller and Dale Brunk. His future plans is to attend Eastern Wyoming for pipeline welding. His biggest accomplishments are Athlete of the year 2018 and All-Conference Basketball 2019. Andy's favorite memory is all the fun bus rides to practice. His favorite class is Ag Mechanics. His advice for the younger students is to take advantage of high school because time flies. Don't take it for granted.

**Arturo Ramos**, is the son of Salvador and Leticia Ramos. He plans to attend the University of Northern Colorado, in Greeley to major in Business. His favorite class is Mr. McFadden's class because he has a lot of random fun and educational Facts. His biggest accomplishment is Receiving Defensive Player of the year for Football his senior year. Arturo's favorite memory is participating in track. Advice for the younger classmen is to enjoy every moment and put themselves out there. What he will miss the most is the Friday Night Lights and Playing basketball.

**Austin McCracken** is the son of

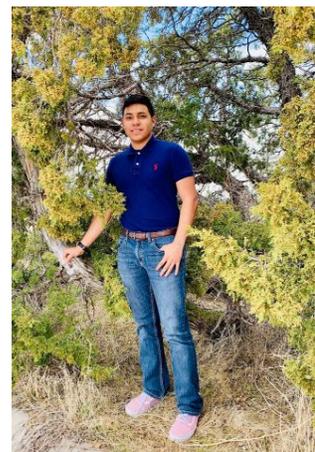

Brent and Karen McCracken. He plans to attend the University of Northern Colorado in the hopes of receiving a Bachelor's degree in General Business. His biggest accomplishments in high school were becoming a Daniel's scholar and competing at State FBLA for all four years. Austin's favorite class was accounting II because there were only five kids in the class and there were a lot of fun discussions. His favorite high school memory was senior trip, where he spent hours in the ocean snorkeling for shells. He advises underclassmen to not be afraid to be themselves, get involved, and make the most with their life using what they have. In 10 years he sees himself working for a major business. What he will miss the most about high school is having fun with his friends.

**Michael McCaffrey**, is the son of Mark and Lori McCaffrey. His future plans are to attend the University of Wyoming to major in Agricultural Business and minor in Finance. In ten years he sees himself working as an Agricultural Loan officer saving up money to buy his own farm and ranch. His favorite class was Mr. McFadden's because it was a fun class! His biggest accomplishment was receiving the Daniels Scholarship. His favorite high school memory was playing sports because of the fun memories that were made with all of his friends. Advice that Michael has for underclassmen is to always be outgoing and participate in everything you can so you can make as many memories as possible. What he will miss about high school is his friends and playing sports.

**Kevin Ramirez**, is the son of Jose and Adriana Ramirez. Kevin plans to attend Aims Community College for a minor in Business and later hopes to attend UNC to receive his major in Business Management. In 10 years, he sees himself owning his own business as a shoe retailer. Kevin's favorite class was Accounting because it was the math of business. His biggest accomplishment was being selected to play for All-State Basketball. His favorite memories consisted of sports because of all the team bonding and team improvement throughout the years. Advice he gives to younger underclassman is don't be afraid to get out of your comfort zone, because sometimes you find success in the things you once feared. He will miss spending time with his classmates that helped shape him into the person he is today, and also the first day of football practice because it was nice to see growth and development from everybody year after year.

**M**icah Aspen Koolstra, is the

daughter of Dennis and Jennifer Koolstra. Her future plans are to attend CU Boulder to study Business at the Leeds School of Business. In ten years, she sees herself possibly owning her own business. Her favorite class was art because she enjoyed being able to take a creative break during the day. Her favorite high school memory was scoring a half court buzzer beater against Otis in the District basketball game. Her advice for underclassmen is to not care so much what other people think and have fun in the moment! Micah will miss the close friends she made in high school and all of the fun times she had while playing volleyball and basketball.
