

STUDENT SOCIAL EVENTS

The Board believes that social activities in school life assist students in learning how to enjoy worthwhile groups and events, how to conduct them and how to contribute to the enjoyment of others. Therefore, with the approval of the Superintendent, school groups and classes hold social events for their membership using school facilities. All such activities must be adequately supervised by sponsors.

Regulations shall be established by the Superintendent governing the specific events. Such rules must provide for proper chaperoning at each event.
