

March 23, 2020

Dear Arickaree Secondary Students and Families,

The Arickaree JH/HS students will be provided direct instruction from Arickaree teachers 1-2 hours per day, Monday - Thursday, starting on Monday, March 30. Some students may be receiving more daily instruction time if also enrolled in online/distance learning courses or college courses.

All core and required secondary classes will be setting up a Google Classroom to provide at home instruction, resources, and assignments for students. Students, if your class has not previously used Google Classroom, please be checking your school email for an invitation to join the Classroom. This will be a requirement for all students.

All students are expected and required to participate in direct instruction opportunities, either while live, or at a later time, as well as complete all assignments by the due dates shown on Classroom. If a student is not available to receive live instruction, the lesson videos will be available to view for 2 weeks after each session.

Attached you will find the schedule for live direct instruction. We will be using BigBlueButton, provided by BOCES, to provide this live video instruction. Links to each session will be provided via students' Google Classrooms.

The main focus of the live direct instruction will be required courses, and those needed for graduating credit. Elective courses may not be receiving direct and live instruction, but may be given in-direct instruction and assignments via Google Classrooms. This would include courses like art, physical education/weights, business, science electives, etc.

All teachers will be available for "office hours" via school emails from 12 - 5 p.m. Monday - Thursday.

If you need help with providing internet services for your household, or accessing computers for students, please contact Mrs. Rodwell to discuss options for students to have access to all needed information.

Please reach out with any questions or concerns. We ask for patience in working out the kinks as we all try to navigate the new challenges that online education will entail.

Sincerely,

Arickaree Secondary Staff

Secondary Schedule

Math	Monday / Wednesday	History / Health	Monday / Wednesday		Ag	Monday Only
8-8:30	11th Grade	8-8:30	9th Grade			
8:30-9:00	7th Grade	8:30-9:00	8th Grade		8:30-9:00	9th Grade
